GOLDSBORO STRIKE EAGLES – SPONSORSHIP PACKAGE

Dear Prospective Sponsor,

The Goldsboro Strike Eagles Youth Academy is looking to establish sponsorships in the greater Goldsboro and Wayne County areas to ensure this quality program continues to grow. The success of this program has positively impacted the community since its creation. Goldsboro Strike Eagles Youth Academy has been the ultimate achievement of the Goldsboro Strike Eagles organization. This program has provided competitive youth soccer for residents of Goldsboro, Wayne County, and North Carolina at significantly reduced prices. Not only are youth able to be a part of a team, they also develop into better citizens, leaders, and learn skills to succeed in life.

In an effort to continue to see this program grow, we need the help of the community through establishing both sponsorships and long-term partnerships. The funds raised will go toward supporting the organization while keeping player fees significantly lower than other programs in our area. Funds are needed to purchase equipment, league fees, referee fees, tournament fees, coach travel costs, offset expenses, and support our financial assistance program.

On the following page, we outline the benefits of sponsorship and what the club can do for your individual or business contribution. Additionally, the Goldsboro Strike Eagles are a registered tax-exempt non-profit organization under 501(c)(3) of the Internal Revenue Code, making many donations tax-deductible.

We ask you to consider supporting our organization. Your sponsorship will be a valued contribution to help support our youth and will further our community. Thank you in advance for considering this sponsorship opportunity. If you would like more information regarding the team or to confirm your sponsorship, please feel free to contact us at goldsborofootballclub@gmail.com. Once again, THANK YOU in advance for supporting our club.

Sincerely,

Tyrone Mallard,
Board President
Goldsboro Strike Eagles FC Youth Academy

The Club has grown from around 40 players to nearly 200 players in three short years.

Mission: To create an environment for youth players focused on player fun, development, and success. But most importantly, we strive to create better players and better citizens of the community.
